# CHARITY NOMINATION GUIDELINES

Our mission is to reach causes which drive impactful, positive change, primarily on a local level. We recognize that many charitable organizations are in need of support, and we're excited to learn about and uplift both familiar non-profits and those new to us.

Before each meeting, three nonprofits will be randomly selected from our nomination pool to present to the full membership. After hearing from each organization, members will vote and the nonprofit receiving the most votes will be awarded our collective donation. The two nonprofits not selected will each receive a minimum donation of \$500 and are welcome to resubmit their nomination for future consideration. Just as important, every organization that presents at our Member Meetings will gain valuable visibility among the members of 100 Women Who Care / TVR.
